

Welcome to the Practice

Hand, Wrist & Upper Extremity Surgery · NYU Langone Health

All Patient Resources

drjanosbarrera.com/patient-resources

About this handout. Scan the QR code to the left with your phone camera to open our patient resource library. There you can read about your condition, learn what to expect after surgery, or find hand therapy, nerve study, and imaging locations near you.

For medical emergencies, call 911. For non-urgent questions, call your office location listed below.

SCHEDULING

Hand Therapy

Scan to schedule your certified hand therapy (CHT) visit.

EMG / Nerve

Scan to schedule your EMG / nerve conduction study.

Imaging

Scan to schedule MRI, ultrasound, or CT imaging.
